PUBLIC ECKANKAR EVENTS IN MAINE

"If you are a sincere seeker of truth, you realize that something within you is constantly pushing you from the nest. You know the answers you seek do exist somewhere in the world. This inner force that pushes you to find the answers is an urge you have no control over. It is the call of Soul... You are Soul, a divine spark of God on a journey homeward. Soul wants to experience more of the Voice of God, which can be heard as Sound or seen as Light. So you begin your search."

—Harold Klemp, *Spiritual Experiences Guidebook*, page 3

Dear Fellow Spiritual Explorer:

Recently you attended one of our introductory workshops, visited our website, or viewed one of our advertisements regarding spiritual experiences. You received introductory information about the teachings of Eckankar—The Path of Spiritual Freedom—and the many spiritual tools and benefits it can offer you. The opportunity to build your own, direct, personal relationship with the Divine is truly priceless. The practical and spiritual guidance that Eckankar offers through dreams, spiritual exercises, and special waking-dream moments has been life-changing for my entire family and invaluable in every facet of our lives. I hope you will take the opportunity to enjoy these same benefits in your life as well.

Thanks!
With much ECK Love,
Mike

Spiritual Exercise **Listening to the Mockingbird**

“When you go to bed, listen in a gentle, calm way to the night sounds. Sometimes you’ll hear the night birds, the hum or air conditioning, the traffic outside, a helicopter flying overhead, or the soft rumble of voices. Just lie in bed and listen. You hear these different sounds so often that you unconsciously erase them from your mind. Put some attention on them now.

While you listen to these physical sounds, sing HU, and then listen for the sacred sounds of ECK. They come in many forms, sometimes as the ringing or tinkling of bells or the sound of musical instruments.

Try to identify as many different physical sounds as you can. Go to sleep with these sounds in your consciousness, all the while knowing they are part of the HU, the universal Sound which embodies all others.

Listen carefully, because in these sounds you will find the secret name of God.”

—The Spiritual Exercises of ECK, by Sri Harold Klemp, p. 87

The ECK Light and Sound Service

This is a monthly spiritual celebration open to all spiritual seekers and their families. Each service focuses on an aspect of Eckankar and how to find more Divine Love, Wisdom, and Freedom. They often feature a reading from the ECK works, singing HU, talks, and music, and open discussion with the focus of spiritual principles at work in your daily life. The services last about an hour.

Free Eckankar Book Discussions

ECK book discussions bring together people who are working to increase their awareness of God's presence. The wisdom you gain through these discussions can help you face your daily life with greater courage and wisdom.

Introductory Presentations

All introductory presentations and book discussions are led by members of Eckankar, who facilitate the sharing of spiritual questions and experiences. Attendees are given tools which help them in living their lives to the fullest. All events are free unless otherwise indicated.

The Sound of Soul Event

"If you want to lift yourself to a higher state of consciousness so that the political issues, the family issues, the social issues of the day do not throw you out of balance, so that you can find a happier, more contented life while you're living here, sing HU, the most beautiful prayer."

—Harold Klemp, *HU the Most Beautiful Prayer*, page 58

As part of a new Golden Age in Eckankar, Harold Klemp, the Spiritual Leader of Eckankar, has developed a wonderful new opportunity for you to experience the divine love and spiritual uplift that comes from singing HU—an ancient chant and spiritual exercise. You are invited to join us to celebrate "The Sound of Soul," (formerly known as the Community HU), where we welcome you as friends. We will settle in with a beautiful contemplation seed from the ECK writings, and then experience a fifteen to twenty-minute HU Chant. Refreshments and relaxed, authentic, spiritual conversation will follow.

The Sound of Soul Event will be held each month in the Bangor, Damariscotta, and Arundel areas. Please check the area listings in this newsletter, at www.eckinme.org, and on our Eckankar Maine page at www.Meetup.com for dates and times. Please consider attending, and invite a friend or family member to experience the blessings of singing HU—our love song to God.

Monthly Advanced Spiritual Study Classes meet once a month and focus on special monthly discourses By Harold Klemp, the spiritual leader of Eckankar. Discourses are studied privately or in a class taught by a trained teacher of Eckankar. A one-year subscription for these discourses include a one-year student membership to Eckankar, along with a quarterly newsletter with special articles written by Harold Klemp and other spiritual students of Eckankar from around the world. A small suggested donation is requested if within your means.

"The ECK discourses are written with a secret, internal rhythm that gradually unfolds your consciousness in a very precise and orderly manner. When you become a member of Eckankar, you receive a discourse series for your personal study. You study one lesson a month, sharing them with your family if you like. The Easy Way Discourses are a portal for you to enter the secret worlds that exist beyond our cosmos, the higher regions so well known to the ECK travelers and the saints of old." —Harold Klemp

Advanced Spiritual Study Classes are held in Bangor, Damariscotta, and Arundel. New classes will be forming as well. You are welcome to visit a class to experience it for yourself before joining a class. To arrange to visit a class, or have us organize one in your area, please contact me at eckankarmaine@gmail.com or call 207-831-6896.
